

Portable granny flats.

Innovatively designed these prefabricated moveable granny flats are perfect backyard homes for your loved one.

pgportablehomes.com.au

Portable granny flat.

Our granny flats measure 18m² and come with all fixtures prefitted including kitchen, bathroom, bedroom, double glazed windows, flooring, doors, lights, tapware, doors and door handles. They are insulated, prewired and preplumbed.

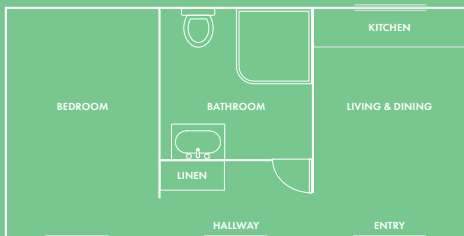

We have a variety of customisable options like changing the floor plan, add a verandah or a compact off grid energy system.

Need something bigger?

Check out our 30ft comforter option.
