

Portable site sheds.

Innovatively designed these fully equipped, customisable, folding portable spaces are perfect for site sheds, home offices, studios, farming sites, man caves and classrooms.

pgportablehomes.com.au

Portable site sheds.

Our versatile standard sheds measure 5.9m x 2.48m x 2.5m and come prefitted with two double glazed windows, flyscreens, exterior solid door, yellow exterior, insulation, flooring and prewired with 15 amp waterproof plug.

We have a variety of customisable options to create your perfect space including increasing the overall footprint, extra windows and adding a compact off grid energy system.
